Note: In some estates there are fees to pay to valuers for valuing assets and notices fees for publishing adverts in the local newspaper and/or the London Gazette. Tax may also be payable on an estate, but it will not be possible to provide an estimate of this until the matter is underway. However, we will notify you of the same at the earliest opportunity.

**Typically, for estate administration, the range of fees tend to be between £3,000 to £8,000 + vat depending on the size and nature of the estate. In the event that your matter exceeds the cost estimate provided, you will be*

informed of this as early as possible. Matters typically only exceed the quoted fee when they are particularly complicated and we are not aware of the full extent of such complexities at the outset.
